

OTTAWA VALLEY TRIUMPH CLUB
NEWSLETTER NO. 4

Highlights of Aug. 30, 1989 Meeting

The fourth meeting of the OVTC (and our first mid-week evening meeting) was held at Jane and Juliano Benco's home on August 30, 1989. The turn out was relatively good considering many of our members were still on summer holidays and there had been some confusion over the location of this meeting. However, those attending enjoyed themselves and accomplished a considerable amount of Club business during the meeting.

Thanks again to the Benco's for hosting a second meeting of the Club at their home and for the drinks and delicious snacks provided during the meeting. Jane's daughter Adina, I understand, was responsible for preparing many of the "goodies" served, so a special thanks to this young lady and future Triumph enthusiast (you'll need to buy another TR soon, Juliano).

Logo Decision

As you will, no doubt, have already noticed by the logo on this Newsletter, the Club voted on three entries that were in the running for our Club logo. Malcolm Brown's entry came out as the favourite but all present expressed the same sentiment that all three designs were excellent and it was a tough decision selecting but one. The Club members expressed a hearty thanks to both David Huddleson and Juliano Benco for their entries and help in designing a Club logo. A colour version of the winning design will be shown to the members at our September 27th meeting. Various members are also looking into the cost of reproducing the logo for printing, cloth badges, transfers on T-shirts, pins, etc. We'll discuss this more fully at our September meeting. Congratulations to Malcolm for an excellent design that all our members will be proud to display as the Club grows and prospers in the days and months ahead.

Summary of Kingston TTC Meet

Many of our members attended the TTC meet in Kingston in early August and we had a verbal report on what was considered by many of those in attendance as the best and most organized gathering of the TR clan in many years. Over 150 Triumphs were in attendance (one participant from the Finger Lakes area of New York owns 22 Triumphs--and you thought you had troubles!) TTC's 1990 annual meet will be in Haleburton, Ontario. Two of our OVTC members won awards at the Kingston concourse--Malcolm and Lynne Brown for their TR-6 and Richard Strong and Lyne Vigue for their TR-4.

Thanks to Malcolm for bringing his panoramic colour photo of the TR Group photograph to show our members at the August meeting. If any others are interested in ordering a group photo of the Kingston meet, a copy of the Order Form is enclosed with this Newsletter.

Fall Tour to Chaumont, N.Y. (October 1, 1989)

Various locations for a Fall Tour were discussed and a concensus was reached to visit Chaumont, N.Y., and Fred Petroski, owner of "Mostly British" with three warehouses full of various British cars, parts, etc. We'll go by the scenic route along the St. Lawrence and cross over to the States by the Thousand Islands Bridge. Bring your work overalls and clean rags--after a couple of hours' rummaging through this palce you'll look like you've changed the head gasket on your engine.

A map of the Fall Tour is enclosed for your interest. We'll discuss the final details at our September 27th meeting. Here's hoping for good weather and a good turn out.

Upcoming Events

1. Thanks to David Huddleson for bringing to the Club's attention the September 16, 1989 meet of the Finger Lakes Triumph Club. David and Lynda are hoping to attend and, if you're interested in going or want more information, David's contact with the Finger Lakes Club is Russ Moore who lives in Brooktondale, N.Y. (607 539-7442). This is only a one-day event starting around 9:00-9:30 a.m., with a Match-Your-Time event in the morning and a rally/tour later in the day ending up at a local winery.
2. Greg Kaufman informed the Club during our August meeting of the Auto Flea Market to be held in Rockland, Ontario, over the Labour Day Weekend (September 3, 1989).

Also, Greg brought to the Club's attention the fact that every July 1st the Lions Club of Arnprior sponsors a Car Show that is well attended and contains many fine British car entries (Morgans excluded!--just kidding Greg). Maybe next year some of us can attend and gather in a prestigious location reserved for Triumph entries.

3. 6th Annual British Car Day - Bronte Creek Provincial Park near Hamilton - September 17, 1989. Details available from TTC - contact Bill Gray at 416 233-2294, before 10:00 p.m.

Next Meeting

Woodvale/Manordale Community Centre

The next meeting of the OVTC will be on September 27, 1989 (Wednesday night) at 7:30 p.m. at the Woodvale/Manordale Community Centre on Knoxdale Road. Jane Benco will be making the reservations for the use of this building so, hopefully, we'll have a good turn out, especially since we have a special guest attending this meeting to discuss the exhaust and muffler systems available for our Triumphs. A location map to assist members in locating the Community Centre is enclosed with this Newsletter.

2. A special thanks to Bruce Young for lining up our speaker for the upcoming September 27th meeting. May we have someone to line up a specialist to speak to the Club at our October meeting? Also, Bruce brought to the Club's attention a source for TR body panels from the Fender Factory in Ottawa, enclosed is the information he obtained from this source.
